

SMT. S.M.S. MULTISPECIALITY HOSPITAL

(A unit of Sumandeep Vidhyapith Campus Ahmedabad)

NEWSLETTER

VOLUME-1 ISSUE- 1 - JAN to MARCH 2024

Dear Colleagues and Readers,

Welcome to the inaugural issue of the **Dr. M K Shah MCRC newsletter!** We are thrilled to have this opportunity to provide you with information about our college and hospital complex, including reports on the available facilities, organized events, student activities, and various other achievements.

Dr. MK Shah MCRC and **SMS Hospital** have become

well-known as a sought-after healthcare destination not only for the residents of the twin cities of Ahmedabad and Gandhinagar but also for people from various other parts of the state and country. The undergraduate (UG) and postgraduate (PG) students currently undergoing training at our institution are enthusiastic about their mission to serve humanity in a highly professional manner.

*“Education is the most powerful tool
we have to change the world,
and when infused with entertainment,
it becomes a captivating
journey of discovery.”*

BRIEF DETAIL ABOUT THE COLLEGE

Dr. MK Shah Medical College and Research Centre (MCRC) was established in the year 2017 in the vibrant city of Ahmedabad, located near Tapovan Circle along the Visat Gandhinagar Highway. This institution operates as a private medical college under the stewardship of the Sumandeep Vidyapeeth Trust, which is based in Waghodiya, Vadodara. Dr. MK Shah MCRC is proudly affiliated with Gujarat University, Ahmedabad, further enhancing its commitment to providing high-quality medical education and healthcare services to the community.

The college and hospital complex consists of four 11-story towers designated as A to D. Additionally, there are separate quarters provided for the teaching staff.

Smt SMS Multispeciality Hospital stands as a state-of-the-art affiliated hospital with Dr. MK Shah Medical College and Research Centre. It boasts a comprehensive range of cutting-edge medical facilities, ensuring the highest standards of healthcare delivery. Within the hospital, there are a total of 720 teaching beds dedicated to both undergraduate (UG) and postgraduate (PG) students.

Presently, the college offers 250 seats for MBBS students, providing them with a robust foundation in medical education. Additionally, the institution offers approximately 73 seats for PG students across various specialized fields each year, enabling them to pursue advanced studies and training in their chosen medical specialties. Institute is proud to have eminent senior teachers who guide students for various academic, research and extracurricular activities.

Dr. MK Shah MCRC offers separate hostel and mess facilities for both boys and girls, conveniently located within the college campus. These hostel accommodations are well-appointed, providing students with all the essential amenities they need for a comfortable stay.

The inaugural batch of the college, which commenced in the year 2017, has successfully completed their courses and are now prepared to dedicate themselves to serving humanity in their chosen paths. The convocation ceremony for this batch took place at Gujarat University, marking the significant achievement of these graduates.

The central library is well-equipped, with a collection of more than 10,000 books and journals covering a wide range of specialties. It offers ample seating for over 500 readers in a tranquil environment conducive to studying. In front of the college, there is a spacious, verdant lawn that provides facilities for outdoor sports like cricket, hockey, volleyball, and basketball. Indoor gaming enthusiasts can also enjoy table tennis, carom, and chess etc. Additionally, there is a gymnasium is also available.

Republic Day celebrations at Smt SMS Multi-Speciality Hospital & Dr. MK Shah Medical College and Research Centre (MCRC) are a proud and patriotic event that honors the sovereignty of India and pays tribute to its diverse culture and heritage. The hospital organizes various activities and events to mark this significant day, involving staff, Student, patients, and the local community.

The day typically starts with the hoisting of the Indian national flag, accompanied by the singing of the national anthem, creating a sense of unity and pride among everyone present. Cultural programs showcasing traditional music, dance performances, and skits highlighting patriotic themes are organized to celebrate the rich cultural tapestry of India.

In addition to cultural events, the hospital also conducts awareness campaigns focusing on health, hygiene, and social issues relevant to the community. This aligns with the hospital's commitment to not only providing healthcare services but also promoting overall well-being and social responsibility.

Republic Day celebrations at Smt SMS Multi-Speciality Hospital serve as a reminder of the values enshrined in the Indian Constitution and inspire everyone to contribute positively to the nation's progress and development.

Dr. Chaitri Shah's leadership and involvement in organizing such impactful Women's Day celebrations at MCRC contribute significantly to fostering a supportive and inclusive environment where women are encouraged to thrive, excel, and lead in their respective fields. These celebrations also play a crucial role in promoting gender equality, empowerment, and respect for women's rights within the institution and the broader community.

International Women's Day celebration was schedule on 6.3.2024 from 3.00 pm to 4.30 pm. Around 100 ASHA workers were invited for the same Event was hosted by Dr. Rachana Solanki. Dr. Chaitry ma'am (Additional Medical Superintendent) discussed role of women in professional life.
